

# ORRIS AND TIMBLE

## Lost and Found

### ACTIVITY SHEETS

#### About the Book

Orris the rat and Timble the owl are unlikely friends. Each night, Timble visits Orris in the barn and listens to his stories. But Timble is growing up, and one evening when the owl doesn't appear as usual, Orris wonders if Timble has forgotten him. Is their friendship over? Or could it be that Timble has a tale of his own to share? Illustrated with wistful tenderness, the second title in a projected trilogy to feature this charmingly offbeat pair masterfully explores the stories we tell ourselves, the stories we tell each other, and the binding magic of friendship.
